Social and Commerce Sciences

Preparing future economists, lawyers and global leaders.

GLOBAL STRATEGIC PATHWAYS

For families seeking progression into Law, PPE, Economics, Finance and related disciplines, this pathway combines analytical strength with persuasive communication. Students typically study History, Economics and Psychology and receive structured university mentoring from dedicated UniCos .

The Global Strategic Pathways Advantage

Every pathway at OIC is part of a wider Global Strategic Pathways framework aligning academic choices, enrichment, and university preparation from the outset. This ensures students build a clear, competitive portfolio while developing the broader skills top universities value.

Strategic enrichment includes:

- Model United Nations
- Law Society and debating
- EPQ research
- Essay competitions and public speaking
- Students develop intellectual confidence, global awareness and competitive applications.

The Outcome

Consistent offers in Economics, PPE, Law and Finance at leading UK and international universities such as Oxford and Cambridge.
