INTRODUCTION

This policy is addressed to students at Oxford International College so that if a student has cause for complaint that relates to any aspect of college life, every effort can be made to address this complaint in accordance with a fair procedure.

CONFIDENTIALITY

A written record will be kept of all complaints and their resolution. Correspondence, statements, and records relating to grievance matters will be kept *confidential*. No student should feel afraid that their complaint will harm their standing at the College by influencing teaching or administrative staff; or feel afraid that registering a complaint might unduly influence their applications to other educational institutions. The College is aware that fear of reprisals can prevent complaints and would like to reassure students: please feel free to register your concerns with the College, confidentiality is taken very seriously.

The school will take any complaint you have seriously:

- Speak to any member of staff directly about your complaint.
- Speak to your Independent Person.
- Your complaints can be emailed to tellus@oxcoll.com.
- Complete and submit an online form by scanning the QR code on Notice Boards at your Boarding House.
- You can complete a complaints forms or get one from your Boarding House.

Staff will investigate your complaint and let you know what is happening within 48 working hours.

In some situations, the investigation may take longer and in cases like these, the Vice Principal, Director of Boarding or DSL will contact you to inform you of the new timeline.

We hope you will be happy with the outcome of the investigation; however, there may be a good reason why something did or did not happen which you don't agree with.

Appeal

Should you be dissatisfied with the outcome of the meeting, you may appeal the decision by emailing, phoning or setting up a meeting with the Principal or the Independent Person.

Record Keeping

It is in the interest of all parties involved that students' complaints are resolved in a timely manner and in such a way that the resolution is perceived to be fair and productive for improving the learning environment at Oxford International College. To help achieve this, meticulous records must be kept as follows:
