## INTRODUCTION

In line with the positive ethos of the College, good behaviour is rewarded by recognition and positive feedback wherever appropriate.

The following rules and regulations apply to all Oxford International College students and the residents at all of our Halls of Residence and whilst living at College arranged accommodation with host families. They have been put into place to promote good behaviour and to ensure the safety and security of all members of the College community and to provide a positive environment that allows students to reach their academic potential.

Students are expected to:

- Treat others in a courteous and respectful manner and in accordance with the College's *Preventing Bullying Policy*.
- Speak English in all public areas and during lessons
- Arrive on time for lessons, meetings and exams
- Refrain from using mobile phones and portable devices during lessons, unless requested to do so by the tutor
- Refrain from smoking anywhere on College premises including Halls of Residence
- Refrain from using offensive language
- Abide by the accommodation rules and regulations
- Respect all facilities and property
- Uphold the aims and ethos of the College

The Senior Leadership Team (SLT) is ultimately responsible for discipline at the College and within all Halls of Residence. The SLT works closely with the House Parents, Wardens, Student Services Manager and Security Staff, all of whom have the authority to file incident reports for consideration by the SLT. The SLT comprises of; Dr Mario Peters (Director), Mrs Kim Terrar (Principal), Yasmin Sarwar (Chief Education Officer) Mr Toby Blundell (Deputy Principal) and Mrs Marianne Thompson-Hill (Deputy Principal).

**Note:** All processes, regulations and procedures laid out in this document pertain to students not only when on College premises, boarding accommodation or host family accommodation but also when attending any College arranged activity or trip and at any time when they might be reasonably expected to be representing the college.

### THE DISCIPLINARY PROCESS

The procedure we employ to maintain a high standard of discipline is as follows:

- The first infraction results in a formal warning being issued to those concerned. The incident is recorded, and parents/guardians/agents are notified.
- A second infraction results in a second formal warning and the situation is dealt with as above.
- A third infraction results in a meeting between the SLT and all parties concerned. Depending on the incident and the individuals involved, more than one meeting may take place and the individuals invited to these meetings may vary. All sides will be listened to and the disciplinary action taken will be in proportion to the offence. Once the SLT has reached its decision, the student(s) responsible and parents/guardians/agents will be issued with a copy of the formal written warning. At this point the student(s) is usually asked to leave the College.

**Note:** Incidences before the first formal warning may result in a verbal warning and an accumulation of more than 3 verbal warnings could lead to the first formal warning.

All incidents and the use of sanctions are recorded in the student's file.

### ATTENDANCE AND PUNCTUALITY

Attendance is not an issue for the overwhelming majority of our students. However, unauthorised absences are the leading reason why some students do not reach their full potential on their course.

An unauthorised absence is defined as:

- any missed lesson or being more than 10 minutes late for a lesson
- missed meetings such as progress tutor or welfare meetings
- missing a coursework, homework, competition or any other set task deadline
- missing a test or examination date without a valid, documented reason. The result of which will be a 0 mark in addition to a detention and relevant disciplinary warning.

If you reside at any College Hall of Residence and if the House Parent, Student Services Manager or another member of staff has to wake you in order for you to attend a class, you will be given a one-hour detention. Repeated occurrences may result in a formal warning

Attendance is monitored on a weekly basis by Enric Monguio (Quality Assurance Officer). Students are given the opportunity to appeal their absence, failure to do so will result in a one-hour detention. Detentions occur on a Sunday.

### **EXEAT FORMS**

EXEAT forms are required for trips outside of Oxford or if students will be away overnight from the boarding house, even if this is within Oxford. These are to be completed and sent to House Parents who must also receive written authorisation for the EXEAT from a parent or guardian.

EXEATS do not authorise non-attendance of lessons or other mandatory academic commitments.

### **BLUE FORM: FUTURE NON-ATTENDANCE**

Blue forms are required to advise a future non-attendance of lessons or academic commitments. These must be completed, signed off by all relevant tutors and handed to either of the below as required:

1. Academic reasons (i.e. university interview):  
Toby Blundell – Deputy Head for Academic
2. Personal reasons (i.e. doctors or dental appointment):  
Jenny Bourlakis – Student Services Manager

These forms are expected no later than 48 hours before the planned absence to be processed.

Both a blue form AND an EXEAT form are required when you are travelling outside of Oxford and are missing lesson(s) and/or academic commitment(s).

### **PINK FORM: PAST NON-ATTENDANCE**

Pink forms are required if you need to appeal an unauthorised absence which you believe should be authorised, for example, for absence due to illness or other unforeseen reason for non-attendance. These forms should be completed and handed to Jenny Bourlakis, Student Services Manager, at your earliest convenience upon returning to college. If you report your sickness to your House Parent, as per procedure, this will be marked as authorised.

**Please note** that if you did not initially follow the correct procedure for illness and did not inform the correct staff member(s) on the day then the absence will remain unauthorised.

**END OF TERM EXEATS**

A special EXEAT form must be completed before leaving for Christmas or Summer break. These must include flight information, destination and return information. These must be handed in to Student Services as soon as your travel details are known and must be accompanied by an email from a parent or guardian confirming your travel details.

**Note:** Failure follow the correct procedure is likely to result in a sanction.

Unauthorised absences will invoke the further following actions and sanctions:

UNAUTHORISED ABSENCES (WEEKLY)	ACTION	SANCTION
Unauthorised Late Arrival After Holidays/Early Departure for Holidays	Reasons for such late arrival/early departures will be discussed and reviewed	Monetary Fine Incurred* & may result in formal warning
Between 90% and 97% attendance	Student's case will be discussed and reviewed  Missed time will be made up in detention on Saturdays  Parents, guardians and agents will be contacted	1 <sup>st</sup> verbal warning
Between 80% and 90% attendance	Student will be placed on Daily Reporting  Parents, guardians and agents will be contacted	Formal Warning
Below 80% attendance	It is deemed that the student has chosen to leave the college	You may face exclusion

**If you are unwilling or unable to agree and comply, then it is clear that you do not wish to take an active role in the College community and its ethos and that you are making the decision to leave OIC.**

*\*In accordance with government guidelines fine may be issued where a student was not present during term time and no prior agreement around this absence was made in advance*

**Note:** Trends of absence and lateness will be monitored by staff and tutors and will be dealt with in accordance to the attendance policies outlines above.

**EXEAT PROCEDURE**

Students are expected to follow the college EXEAT procedure whilst studying with OIC. Failure to adhere to this policy will result in disciplinary action as below:

ACTION	SANCTION
Failing to submit EXEAT form, gain parental permission and/or gain school authorisation before leaving the College – First instance	Verbal Warning & Detention
Failing to submit EXEAT form, gain parental permission and/or gain school authorisation before leaving College – Second and third instance	Formal Warning and Detention
Failing to submit EXEAT form, gain parental permission and/or gain school authorisation before leaving College – More than 3 instances	Disciplinary hearing and possible exclusion
Leaving College when EXEAT has been denied – First instance	Formal Warning and Detention
Leaving College when EXEAT has been denied – More than 1 instance	Disciplinary hearing and possible exclusion

**ALCOHOL, TOBACCO, VAPING AND OTHER DRUGS**

Students, staff and tutors are expected to comply with current legislation concerning alcohol, tobacco, vaping and drugs. Prohibited items (as defined in Section 2 of the Misuse of Drugs Act 1971) are not tolerated on the College premises or in any Hall of Residence. Any complaint or report of involvement with drugs and substances either on or off College premises, including boarding facilities, will be followed up and investigated.

- i. The College operates a **zero tolerance** on alcohol and drug possession and consumption, anyone possessing or using prohibited items will face exclusion. In exceptional cases, a supportive regime may be offered as an alternative to expulsion, however, the College is under no obligation to provide such a regime.

Students are not permitted to possess or drink alcohol anywhere on the College Campus, including the Hall of Residence, at college arranged accommodation with host families or at any college arranged event. Bringing alcohol onto College premises or being in unsupervised possession of

alcohol or obtaining or supplying alcohol to another or consuming or being impaired by alcohol while on College premises or in the care of the College is not tolerated.

The College may, at any time when reasonable grounds for suspicion of drug or alcohol use exist, request the Student to give a biological sample (such as urine or oral swab) or take a breathalyser test to test for the use of drugs, alcohol or other substances damaging to health. A record of such sample will not form part of the Student's permanent medical record but failure by a Student to take such tests will result in disciplinary action being taken.

Any member of the College suspected of involvement with drugs and substances may be suspended.

- ii. Smoking and vaping are not permitted at any time whilst enrolled at the College. Any violation of this policy will result in disciplinary procedures.

Under section 550ZA of the Education Act 1996 the College reserves the right to search students College accommodation and/or possessions in such instances that the College has reasonable concern over prohibited items being in their possession. In cases where a search is deemed necessary it will be carried out by two members of staff with at least one of the same gender as the student. Any searches, whether they result in prohibited items found or not, will be logged on College records and parents will be notified. Searches leading to prohibited items found will lead to further disciplinary actions.

On occasion the College reserves the right to invite trained drugs sniffer dogs onto College Premises to undertake a drugs sweep. Such occasions will not be advised prior taking place but will be logged on College records and parents notified after the fact.

Bringing the College into disrepute for any reason associated with drugs, alcohol, vaping or tobacco, whether or not the student is in the care of the College at the time, will result in exclusion. Disciplinary action will be taken when the welfare of any member of the College community or the reputation of the College is affected.

### ACCOMMODATION

Students who live at any Hall of Residence form a community and are expected to live with each other in a harmonious and mutually respectful way. Rules and regulations apply to all residents regardless of age or time of year.

The SLT works closely with the House Parents, Student Services Manager, Wardens, and Security Staff, all of whom have the authority to file incident reports for consideration by the SLT. Incident reports may lead to a disciplinary process.

Examples of incidents that could lead to the disciplinary process or to a student being asked to leave include the following:

Not obeying check-in rules*	Asked to leave Boarding House
Smoking in any area within the building at any boarding house	Asked to leave Boarding House
Theft	Disciplinary Process
Alcohol or drugs	Disciplinary Process
Overnight guests	Disciplinary Process
Inappropriate behaviour towards the House Parent, Wardens, Security Guard or any other member of staff	Disciplinary Process
Inappropriate or violent behaviour towards fellow students	Disciplinary Process
Damage to property	Disciplinary Process
Inappropriate use of the internet	Disciplinary Process
Unacceptable noise	Disciplinary Process

**\*Check-in:** If you are not in your room for check-in and cannot be found within 30 minutes, both the police and your parents/agents will be called. Please note that wasting police time is an offence. There are implications for students who are in breach of UKVI visa regulations.

Spot checks will be carried out at random twice annually at College accommodation. These checks will not be advised prior taking place but will be logged on College records and parents notified.

Parents will be informed if a student is asked to leave a boarding house or is in the disciplinary process. Students that have been asked to leave a boarding house may be offered a Host Family through the college. Each case will be considered independently.

All students have the right to complain if they feel wrongly or unfairly treated. Details of how to do this are found in the College's *Student Complaint Procedure*:

### EXPULSION, REMOVAL AND REVIEW

A student may be expelled, suspended or required to leave if his or her actions place the welfare of others at significant risk. Periods of suspension will be at the discretion of the SLT. A student may be expelled immediately if he or she commits a serious breach of the College's expectations of behaviour. Details of the reasons for expulsion will be outlined in writing to the parent or guardian of the relevant student.

A student is liable to expulsion for a grave breach of College discipline, for example, a serious criminal offence or some wilful act calculated to cause serious damage to the College, its community or any of its members. Formal expulsion implies that a student's name will be expunged from the roll of the College and reference to the facts and circumstances may be made in response to every request for a reference. All outstanding fees up to and including the term of expulsion shall be payable.

The SLT are required to act fairly and in accordance with the principles of natural justice and not to expel a pupil other than in grave circumstances.

For a serious breach of discipline falling short of one for which expulsion is necessary, but such that the student cannot expect to remain a member of the College community, the student may be “required to leave” permanently. Subject to payment of all outstanding fees the student will be given reasonable

assistance in making a fresh start at another College. A student for whom the College has arranged accommodation may be required to leave the accommodation without necessarily being required to leave the College.

A student may be placed under suspension while a complaint is investigated or as a sanction in its own right.

### USE OF RESTRAINT

It is most unusual for restraint to be used at Oxford International College and this is avoided as far as possible except in very extreme circumstances. Any use of restraint by staff will be reasonable, proportionate and lawful. Restraint will be used only when immediately and absolutely necessary and for the minimum time necessary to prevent a student from doing or continuing to commit a criminal offence or injure themselves or others. Where restraint is used by staff, this is recorded in writing.

### MERIT AND DEMERIT SYSTEM

Throughout the course of their time at College students may be awarded merits or demerits under the following three categories:

- Academic
- Super Curricular
- Behaviour

Merits and demerits can be recommended by all College staff and tutors with a relevant reason for their recommendation. Merits and demerits must be authorised by student services management before being added to a student record.

Accumulation of merits and demerits will lead to the following sanctions and rewards:

AMOUNT	MERIT REWARD	DEMERIT PENALTY
5	Commendation Letter from Progress Tutor	Verbal Warning + Detention
10	Certificate presented by Deputy Principal in assembly	Written Warning + Detention
15	Certificate & Commendation letter from Chief Education Officer & small treat	First Formal Warning + Detention

20	Movie/meal tickets for you and a friend	Final Warning + Possible Suspension
20 +	Possible end of term treat from College	Possible Exclusion

**\*Please note:** The merit and demerit system runs alongside other sanctions and accumulation of either merits or demerits may be taken into account when deciding suitable sanctions covered elsewhere in this document, except for where a zero-tolerance infraction has been committed.

### REMOTE LEARNING SESSIONS

During sessions facilitate on remote learning platforms our codes of conduct and sanctions continue to be adhered to. This includes:

- Good behaviour during online lessons
- Turning up and actively participating in online lessons
- Refraining from any bullying behaviour towards your peers or tutor
- Handing in assigned work by the assigned deadline
- Correct and sensible use of online resources

Specific rules of conduct applying to online learning are:

- No recording of any session. These are recorded, where necessary, by the College and passed on to students as appropriate.
- Screen shots are **not** to be taken, particularly when this includes the image of another student's video feed.
- Your background should be blurred when using video within online platform sessions.
- Memes and other use of any capture or image taken from online learning session will be treated as bullying and sanctioned accordingly.

As with face to face lessons, online learning is a mandatory part of your education at OIC. Therefore, your attendance, as with face-to-face lessons, is monitored and you are liable to sanctions for non-adherence to the attendance policy accordingly. To comply with notification of non-attendance of lessons please follow existing procedures but utilising email instead of pink and blue forms. Parents will be asked to confirm any non-attendance due to illness.

Verbal, written and formal warning will be assigned as sanctions for misconduct in a remote learning environment as they are in face-to-face learning. Sanctions given in a remote learning environment will be noted on your sanctions record alongside any existing sanctions.

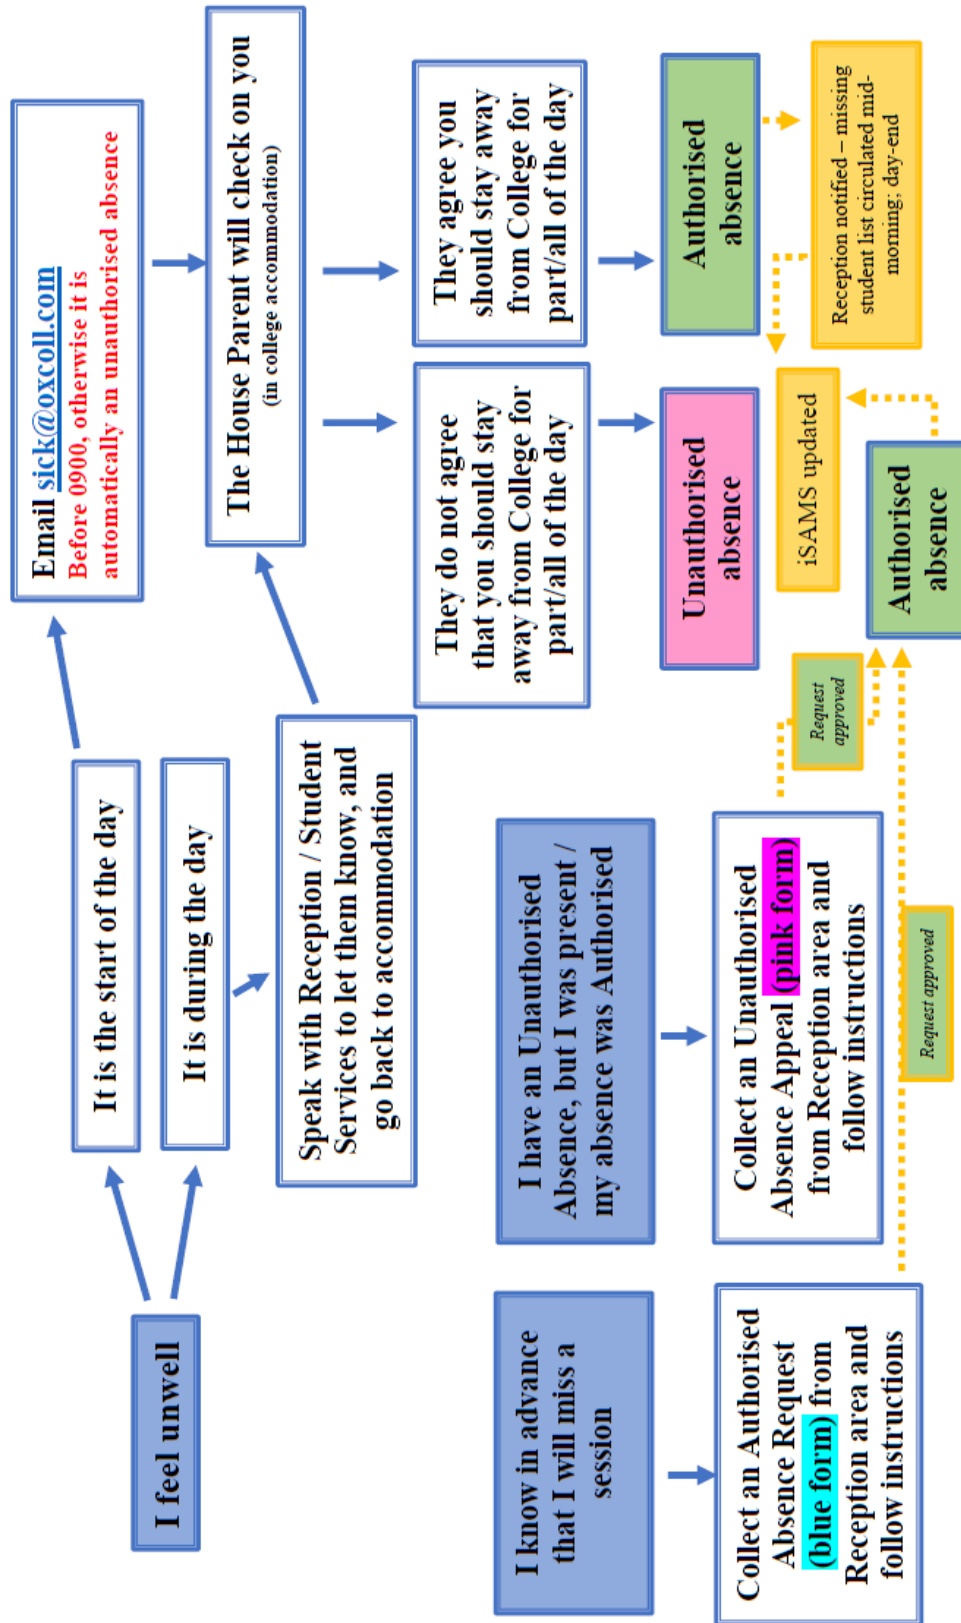

The merit and demerit system will remain in place for both online and face-to-face learning during the academic year.
