

University Application Support Service

Oxford International College's (OIC) digital university consultation and application service is designed for students anywhere in the world who are targeting top-ranking universities such as **University of Cambridge, University of Oxford, Imperial College London, London School of Economics**, and **University College London** in the UK, the **Ivy League colleges** USA, or any other elite university around the world.

As the UK's number one ranked school and achieving some of the UK's top admission rates to these reputable universities, OIC is uniquely placed to advise students on the key components of any successful university application.

Every university application is unique. Some courses require admissions tests and interviews, others require only a personal statement. **An initial consultation with one of our experts will help identify where the student requires additional support.** Following the introductory session, one of our experts will help indicate which areas the student requires support in a written report. This could be anything from a personal statement package, to a bespoke service that encompasses all three key application areas (Personal Statement, Admissions Tests, Interview Preparation). A bespoke programme is then created for each student tailored to their individual needs. The initial consultation is an opportunity to get high quality, detailed feedback to questions like:

- Have I chosen the right subject?
- What are the special requirements for Medicine/Law/Engineering etc?
- Which university should I apply to?
- How do I compare to other applicants?
- What written work do I need to submit to UCAS?
- What is the difference between Oxbridge colleges? Are some easier to get into than others?
- How do I best prepare for my Interview/Admissions Test/ Personal Statement?

15 hours	£1,770 (£118 per hour)	£2,100 (£140 per hour)
20 hours	£2,300 (£115 per hour)	£2,750 (£137.50 per hour)

Leading OIC to No.1

Yasmin Sarwar joined Oxford International College in 2017 as its Chief Education Officer. Under her academic leadership, OIC has gained global recognition as UK's Number 1 A-Level college. She is also the co-founder of a school named 'Britain's brainiest school' for topping the A-Level tables for nine consecutive years.

Throughout her nearly 20-year career, Ms Sarwar has sent over 350 students to medical schools and over 250 to world-class institutions including Oxford, Cambridge, London School of Economics, Imperial College London, Harvard, and Hong Kong University. Ms Sarwar is on the interview panel for Medicine at several top Russell Group Universities, enabling her to design successful personalised academic and career plans for students.
