

Maths & Computer Science Teacher required

An exciting opportunity has arisen to join the successful and energetic team at Oxford International College, a small college specialising in the teaching of GCSEs and A-levels to academically ambitious overseas students whose aims are to get into the top British universities. Oxford International College consistently receives extremely impressive A-level results and 6 consecutive ISI inspection reports state that the college “exceeds expectations for the quality of education”.

The successful candidate will ideally possess a QTS (although not essential) in this subject area and have at least two years of teaching experience at A-level and GCSE. They must be flexible as well as capable of inspiring and motivating academically strong students and of ensuring their continued progress.

In return, we offer a vibrant and friendly place to work as well as a competitive salary, a contract, opportunities for progression and CPD in a positive and supportive environment.

The role will start in January 2022.

Please email recruitment@oxcoll.com for a job description and application form. The closing date for applications is 20th September 2021.

OXFORD OX4 1BD
