CENTRE ASSESSED GRADE (CAG) INFORMATION: AUGUST 2020 GRADES ONLY

Due to the Covid-19 pandemic and subsequent lockdown within the UK all public examinations were cancelled. As a result of this, grades were submitted by the teaching institution to the awarding body, centre assessed grades, where they would then be moderated and decisions on final grades to be awarded were made.

After formal results are released on Thursday 13th of August 2020 students will have the right to request their centre assessed grades. Within each CAG, students are ranked. Government guidance is that students may request the ranking they received but that this is at the teaching institutions discretion. Students are, however, not entitled to know the number of students within any grades ranking pool, as this could inadvertently lead to a breach of another student's data.

If you wish to request your request your CAG please request via the Examinations team. For your CAG ranking please fill out the below form and submit to protectingdata@oxcoll.com
