

Oxford International College (OIC) Academy's online university application and support programme are designed for students anywhere in the world who are targeting top-ranking universities such as **University of Cambridge, University of Oxford, Imperial College London, London School of Economics** and **University College London** in the UK, the **Ivy League Schools** in the US, or any other elite university around the world.

As **the UK's No.1 ranked A-Level college** and achieving some of the UK's top admission rates to these reputable universities, OIC is uniquely placed to advise students on the key components of any successful university application.

Supports in all three key application areas:

Personal Statement

Interview

Admissions Test

Every university application is unique. Some courses require admissions tests and interviews; others require only a personal statement. With offerings from anything such as a personal statement package, to a bespoke programme that encompasses all three key application area (Personal Statement, Admissions Tests and Interview Preparation), a bespoke timetable is created for each student tailored to their individual needs. To get the most out of this programme, you will need to consider questions such as:

- » Have I chosen the right subject?
- » What are the special requirements for Medicine/Law/Engineering etc.?
- » Which university should I apply to?
- » How do I compare to other applicants?
- » What written work do I need to submit to UCAS?
- » What is the difference between Oxbridge colleges? Are some easier to get into than others?
- » How do I best prepare for my Personal Statement/Interview/Admissions Tests?

Booking accepted all year round

Leading OIC to No.1

Yasmin Sarwar joined Oxford International College in 2017 as its Chief Education Officer. Under her academic leadership, OIC has gained global recognition as the UK's No.1 A-Level College. She is also the co-founder of a school named 'Britain's brainiest school' for topping the A-Level tables for nine consecutive years.

Throughout her 20-year plus career, Ms Sarwar has sent over 500 students to medical schools and over 400 to world-class institutions including Oxford, Cambridge, London School of Economics, Imperial College London, UCL, Harvard, and Hong Kong University. Ms Sarwar is on the interview panel for Medicine at several top Russell Group Universities, enabling her to design successful personalised academic and career plans for students.
